IMPORTANT POSTING

BROCKTON RETIREMENT OFFICE CLOSED TO THE PUBLIC

To: All Members & Retirees of the Brockton Retirement System

Fr: Jeanne Martineau, Executive Director

Re: Corona Virus Update

In an effort to follow the recommendations from the CDC and WHO, the Brockton Retirement Office will be closed to the public until further notice. We are here to serve our membership, and as such, it is important that we all be socially responsible and take care to ensure that we do not expose each other to the Corona Virus.

At this time, we continue to practice "business as usual" in our office and will work remotely when possible. We are still taking phone calls and emails and it remains our goal to provide you with outstanding customer service during these difficult times.

Please call our main line at (508) 580-7847 if you need to reach us. We also encourage you to reach out to us via email.
